**Attestation of Off-Exchange Custody Balance for United Stables Limited-Related
Accounts**

This document serves as an attestation by CH Europe Digital Solution Sp. z o.o. (the "Provider") to the total notional value of assets held in off-exchange custody solutions of the Provider for United Stables Limited-related accounts ("Accounts") as of 23:59 UTC on 28 December 2025.

Attestation:

The Provider attests that, to the best of its knowledge and based on its records as of 23:59 UTC on 28 December 2025, the total aggregate value of all assets held in custody for the Accounts was at least 409,900,018 USDT (the "Total Value").

These amounts are held fully in off-exchange solutions and are not held or otherwise custodied by any digital asset exchange.

There may be discrepancies between the reported Total Value of the assets held in the Accounts and the equivalent asset value displayed on the digital asset exchange. These discrepancies may arise due to the difference in the timing and frequency of asset value updates on the digital asset exchange and off-exchange solutions, as well as due to market fluctuations.

Capacity and Authorization:

The undersigned is a duly authorized representative of the Provider with the requisite authority, knowledge, and capacity to execute this Attestation on behalf of the Provider.
